NUSPEQ2023 - International Symposium on Nuclear Spectroscopy for Extreme Quantum Systems

Tuesday, 7 March 2023

Session 4 - Plaza Verde Convension Hall B (16:00 - 17:30)

time	[id] title	presenter
16:00	[36] Machine Learning for Nuclear Astrophysics	Prof. CHAE, Andy
16:30	[37] Recent progress of shell-model calculations and quadrupole collective states	Prof. SHIMIZU, Noritaka
17:00	[15] Transition from nucleus to medicine	SAITO, Akito
