

Single-particle and collective motions from nuclear many-body correlation  
(PCM2025)

Contribution ID: 82

Type: **not specified**

**Single-particle states in odd nuclei and spin-isospin  
excitations**

*Tuesday, 4 March 2025 10:10 (25 minutes)*

**Presenter:** Prof. COLÒ, Gianluca (University of Milan)

**Session Classification:** session #1
