

Single-particle and collective motions from nuclear many-body correlation (PCM2025)

Thursday, 6 March 2025

session #9 - Main Lecture Hall (11:10 - 12:20)

-Conveners: Kouichi Hagino

time	[id] title	presenter
11:10	[85] An approach to particle vs collective motion in reaction theory	Prof. BERTSCH, George
11:35	[79] Electromagnetic responses of weakly-bound nuclei	Prof. IWASAKI, Hiro
12:00	[36] Delta-isobar resonance effects on beta and double beta decays in medium heavy nuclei	EJIRI, Hiroyasu
