

Single-particle and collective motions from nuclear many-body correlation (PCM2025)

Thursday, 6 March 2025

session #11 - Main Lecture Hall (15:25 - 17:00)

-Conveners: Hiroyuki Sagawa

time	[id] title	presenter
15:25	[20] Formation of superheavy element	ÅBERG, Sven
15:50	[11] Atomic nucleus at the edge of stability	PLOSZAJCZAK, Marek
16:15	[87] Direct Reactions as Quantum Probes of Nuclei	Prof. SHIMOURA, Susumu
16:40	[57] Shape coexistence of octupole shapes in the superheavy nucleus ${}^{286}\text{No}$	RING, Peter
